**AUTOSPLICE, INC.**

Connectors, Direct insertion of discrete pins, Case assemblies, Turnkey assemblies. Focus on compliant technology.

**DIODES**

[diodes.com](http://diodes.com)

**DIODES INC.**

Diodes, Rectifiers, Zeners, TVS, Mosfets, H-Bridge FET's, Transistors, DC-DC converters, LED Drive IC's, USB Switch Controllers, LDO's / Linear Regulators, Op Amp / Comparators, Hall Sensors, Single Gate Logic, Small Signal Arrays.

**SII**

**SEIKO INSTRUMENTS INC.**

32.768kHz Crystals, Real Time Clocks, Voltage Detectors, Linear/LDO Regulators, Switching Regulators, Serial E2PROM, Charge Pumps, Li-Ion Protection IC's, Temp Sensors, Mini Analog/Logic (Ultra low current consumption solutions optimal for portable applications)

**SONG CHUAN**  
USA

[songchuan.com](http://songchuan.com)

**SONG CHUAN**

Electromechanical Relays For Automotive, Appliance, HVAC, & Various Applications. IR Reflow Case With T&R Packaging Available, New ultra miniature single & duals.

**Mag Layers**

[maglayersusa.com](http://maglayersusa.com)

**MAG LAYERS USA, INC.**

Inductors (High current, SMD, Multi-layer Chip, Wirewound); RF Filters / Antennas-LTCC; Multi-layer Chip Beads; EMI Common Mode Filters.

**INPAQ**

[inpaq.com.tw](http://inpaq.com.tw)

**INPAQ TECHNOLOGY CO., LTD**

Patch Antennas (GPS, SDARS), Chip Antennas (GPS, GPS/2.4Ghz Combo, 2.4Ghz ISM Band FM), Active Antennas (External GPS, GPS/WLAN Combo, External SDARS, Digital TV), NFC / Wireless Charging, Customized Antennas (GPS series, Cellular Phone, Notebook)

**VIZA**  
Electronics

[vizaelectronics.com](http://vizaelectronics.com)

**VIZA ELECTRONICS**

Low cost source for various commodities. Connectors, Cable Assemblies, Transformers, Power Supplies, Fans, Supercaps, Memory, More ...

**VaiP**  
logic

[vaillogic.com](http://vaillogic.com)

**VAI LOGIC**

Value added consulting & design services for hardware and software solutions through a team of highly skilled engineers. HW/SW Development, FPGA/ASIC/ASSP design, IP development, system-level modeling, more ...

**聯合集成股份有限公司**  
Integrated Solutions Technology, Inc.

[ist4u.com](http://ist4u.com)

**IST - INTEGRATED SOLUTIONS TECHNOLOGY, INC.**

STN Single Chip & SEG/COM Driver IC's, STN/TN In-Cell Touch IC's, Ultra-Low power versions & Custom development opportunities available.

**H&T**

[hnt-intl.com](http://hnt-intl.com)

**SHENZHEN H&T INTELLIGENT CONTROL CO., LTD**

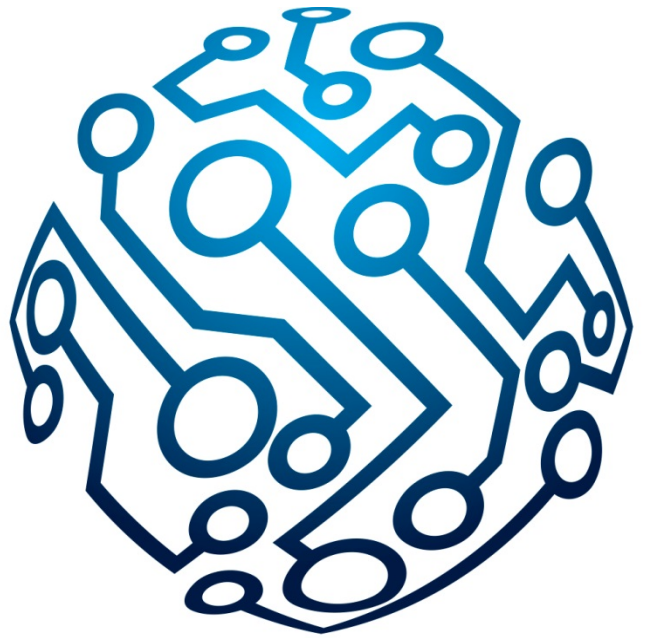

Global Design & Manufacturing Solution Partner

**POWERTIP**

[powertip.com.tw](http://powertip.com.tw)

**POWERTIP TECHNOLOGY CORP.**

LCD solutions. TFT, Character, Graphic, COG, FS with color, Sunlight Readable, ASTN, 3D, Embedded Solutions, Total/Custom Solutions.
